TNTEU Theory Online Degree Examinations June/July 2021 will commence soon

During this hectic pandemic time, the controller of examinations and his team of teaching and non teaching staff rendered sincere and self-less service in connection with scheduling the B.Sc., B.Ed., M.Ed., degree examinations. Our Teaching Faculties also rendered yeoman service by taking regular classes for M.Ed., students and for M-Phil Scholars through online mode.

As a token of Good Service to the COVID-19 victims, Our university served as COVID Testing and Healing center to save the lives of innumerable people.

TNTEU has some meticulous plans to set two new World Record Events

From Editor's Desk

We were all in an emotional turmoil situation in the month of May-2021 because the deadly pandemic covid-19 was at its epitome to cause a disastrous attack on human beings. Umpteen number of people died due to the rapid spread of covid-19. Many common folks became victims for the cruel pandemic covid-19's dreadful attack. The Government of Tamil nadu took up war footing efforts to reduce the death toll to the minimum. Thank God that the present prevailing situation is better.

Even during this tough time, our University continued to do academic and administrative works slowly through online mode. The programs organized by Value education Dept, Dept. of Psychology, Dept. of Educational Planning and Administration, Center for capacity building programs for School Teachers, Center for Civil Services Coaching and TNPSC coaching and center for Skill development of TNTEU and the programs organized by NSS Unit of our University were much significant and deserve great appreciation.

The Ceaseless and strenuous efforts taken by the Controller of Examinations, Deputy Controllers of Examinations, and the Non-Teaching staff of exam section to do the spadework to start theory exam of the B.Ed., B.Sc., B.Ed., and M.Ed., exams through on-line mode is really appreciable.

Students and Scholars of Our esteemed University attend regular classes in large number without fail. They also do projects, attend seminars and present PPT's as academic activities to enrich their subject content

Dr. T. Sivasakthi Rajammal, Co-Ordinator for Center for Capacity Building Programmes for School Teachers of TNTEU and her team members have meticulous plan to set World Record in the near future.

I express my sincere gratitude to our Honorable Vice-Chancellor sir for his fraternal care that he extends to all the Teaching and Non-Teaching Faculties of TNTEU during this covid-19 crisis.
